

INSTRUCTIONS TO AUTHORS OF *IDŐJÁRÁS*

The purpose of the journal is to publish papers in any field of meteorology and atmosphere related scientific areas. These may be

- research papers on new results of scientific investigations,
- critical review articles summarizing the current state of art of a certain topic,
- short contributions dealing with a particular question.

Some issues contain “News” and “Book review”, therefore, such contributions are also welcome. The papers must be in American English and should be checked by a native speaker if necessary.

Authors are requested to send their manuscripts to

Editor-in Chief of IDŐJÁRÁS
P.O. Box 39, H-1675 Budapest, Hungary
E-mail: antal.e@met.hu

including all illustrations. MS Word format is preferred in electronic submission. Papers will then be reviewed normally by two independent referees, who remain unidentified for the author(s). The Editor-in-Chief will inform the author(s) whether or not the paper is acceptable for publication, and what modifications, if any, are necessary.

Please, follow the order given below when typing manuscripts.

Title page: should consist of the title, the name(s) of the author(s), their affiliation(s) including full postal and e-mail address(es). In case of more than one author, the corresponding author must be identified.

Abstract: should contain the purpose, the applied data and methods as well as the basic conclusion(s) of the paper.

Key-words: must be included (from 5 to 10) to help to classify the topic.

Text: has to be typed in single spacing on an A4 size paper using 14 pt Times New Roman font if possible. Use of S.I. units are expected, and the use of negative exponent is preferred to fractional sign. Mathematical formulae are expected to be as simple as

possible and numbered in parentheses at the right margin.

All publications cited in the text should be presented in the *list of references*, arranged in alphabetical order. For an article: name(s) of author(s) in Italics, year, title of article, name of journal, volume, number (the latter two in Italics) and pages. E.g., *Nathan, K.K.*, 1986: A note on the relationship between photo-synthetically active radiation and cloud amount. *Időjárás* 90, 10-13. For a book: name(s) of author(s), year, title of the book (all in Italics except the year), publisher and place of publication. E.g., *Junge, C.E.*, 1963: *Air Chemistry and Radioactivity*. Academic Press, New York and London. Reference in the text should contain the name(s) of the author(s) in Italics and year of publication. E.g., in the case of one author: *Miller* (1989); in the case of two authors: *Gamov* and *Cleveland* (1973); and if there are more than two authors: *Smith et al.* (1990). If the name of the author cannot be fitted into the text: (*Miller*; 1989); etc. When referring papers published in the same year by the same author, letters a, b, c, etc. should follow the year of publication.

Tables should be marked by Arabic numbers and printed in separate sheets with their numbers and legends given below them. Avoid too lengthy or complicated tables, or tables duplicating results given in other form in the manuscript (e.g., graphs).

Figures should also be marked with Arabic numbers and printed in black and white or color (under special arrangement) in separate sheets with their numbers and captions given below them. JPG, TIF, GIF, BMP or PNG formats should be used for electronic artwork submission.

Reprints: authors receive 30 reprints free of charge. Additional reprints may be ordered at the authors' expense when sending back the proofs to the Editorial Office.
